Club of Forest

The Community Project . . .
that became a National Movement

September 9 - 23, 2023

6 Millrace Drive at ACS
Lynchburg, VA

**Sponsorship Opportunities ~
Promote Your Business**

Honoring our Heroes for the sixth year in a row!

The Rotary Club of Forest proudly presents an inspirational formation of over 1,000 American flags on the grassy fields of Automated Conveyor Systems. This solemn formation pays tribute to our **Veterans, Active Duty Military, First Responders, Firefighters, Police Officers, EMTs, Health Care Workers, and those that have made the Ultimate Sacrifice** to defend our freedoms. Field of Honor is an event not to be missed and provides a direct emotional and financial impact in your community.

Promote your business while honoring your special heroes. A flag can honor an individual or a group. Everyone knows a hero deserving of recognition at the Field of Honor, ranging from family members to employees. Sponsors may retain the flags at the close of the event or donate them back to Rotary for use in next year's event.

Promote your business while giving back to your community. You can show your support by becoming a sponsor or making a donation. Funds raised by Field of Honor are gifted back into the community to support veterans services, food/shelter relief programs, and children's support organizations, including inclusive playground equipment at the Forest Library. A complete list of beneficiaries can be found at ForestRotary.com.

Promote your business and show your love for your country through your support. The panoramic display is free and open to the public to provide a place to heal and pay respect to all honorees. Our Country faces many uncertainties on a daily basis. The Field of Honor is a place for true patriots to gather and celebrate the freedoms we enjoy in our United States and those that make it possible.

Your support will leave a lasting impression. The panorama of red, white and blue is hard to adequately describe, but once experienced is not to be forgotten.
